I was walkin' with my baby down 5th avenue
When i came accross a policeman he said who are you
I said my name is Andrew from out of town
He said you had better come to the polices station
And that's downtown

Ra Ra - Ra Ra

I got in his car and we went downtown
We arrived at the police station about a quarter to one
He took me down stairs to the cells
I said wait a minute mr policeman
What have i done

Ra Ra - Ra Ra

He said son you'd better get a lawyer
Your'e gonna be here a mighty long time
I said, but i havn't done anything to break the law
He said you've been dealin' with the white stuff
And that's a crime

Ra Ra - Ra Ra

Oh mr policeman What have you done
I really know That i'm not the one
I couldn't have been the one That you saw
As i know i didn't Break the law

I said it's been a setup and i'm gettin' the blame
He said we got the proof it seems such a shame
I said,i didn't have any white stuff wouldn't break the
law
He said that's a lie
Cause we know what we saw

Ra Ra - Ra Ra

So now i'm in trouble didn't do any wrong
I'm not believed that's why i wrote this song
It doesn't make sense i know it's a frame

Some people think life
Is just a game

Ra Ra - Ra Ra
