"Face In The Crowd"

Visit "[Face In The Crowd](#)" on MotoLyrics.com

You're just a face in the crowd Don't shout out loud
I don't want to know you Don't come my way

Don't come my way Don't come my way
I'm tellin' you babe Don't come my way

My love was one sided Didn't know what to do
I just kept on tryin' I thought you would too

Don't come my way Don't come my way
I'm tellin' you babe Don't come my way

You don't need love I can tell by your eyes
There's no love inside you So don't come my way

Don't come my way Don't come my way

I'm tellin' you babe Don't come my way

The things that you do Bring back memories
Of a time without love It happened to me

Don't come my way Don't come my way
I'm tellin' you babe Don't come my way

Faces of people You remember so well
Every face is different You know you can tell

My heads in the sand And i'm feelin' good
I don't need your lovin' Cause it aint no good

Don't come my way Don't come my way
I'm tellin' you babe Don't come my way
