Well me and my baby walk along the street  
Saw some people we didn't want to meet  
Went to a diner had a meal  
The guy behind was makin' a deal

Oh oh oh Oh oh oh You and me Together for eternity  
Nothin' can come between us  
Nothin' can come between us

Went to the park to have a seat  
Gave the pigeons food to eat  
Saw a man sittin' in a motor car  
He was smokin' a big cigar

Oh oh oh Oh oh oh You and me Together for eternity

Nothin' can come between us  
Nothin' can come between us

It's been a lazy day in the city  
We havn't been that far today  
All the things that we have done  
Were just to give us a little fun

Went to the pictures had a laugh  
The folk behind must have thought i was daft  
Went and had an icecream  
Knew my lady was just a dream

Oh oh oh Oh oh oh You and me Together for eternity  
Nothin' can come between us  
Nothin' can come between us
