How long will it be Till we meet again
How long will it be I just want to know

All my life i've been a traveller Never could settle down
Moved around the big cities And the underground

How long will it be Till we meet again
How long will it be I just want to know

Ah Ah Ah Ah - Ah Ah Ah Ah - Ah Ah Ah Ah - silent

How long will it be Till we meet again
How long will it be I just want to know

We will meet again You will be my friend
We will live together Till the very end

How long will it be Till we meet again
How long will it be I just want to know

I'm just a lonely traveller I've seen all of life
One day i'll settle down To a life i've found

How long will it be Till we meet again
How long will it be I just want to know
