"The King Is Rising"

The king is rising He can take the fall
No need to worry There's room for us all

Every Sunday morning About 11 o'clock
We hope to meet our saviour We will be saved

Our saviour is with us Where ever we go
We need to face our sins He will let us know

Every Sunday morning About 11 o'clock
We hope to meet our saviour We will be saved

We think we are right And we deserve more
But the mountain is high Can we open the door?

Every Sunday morning About 11 o'clock
We hope to meet our saviour We will be saved

Oh Jesus We know we have done wrong
We know you will forgive us As your words are in our
songs

So now we have prayed And confessed all our sins
We will find maybe tomllorow Our saviour will return

Every Sunday morning About 11 o'clock
We hope to meet our saviour We will be saved

Every Sunday morning About 11 o'clock
We hope to meet our saviour We will be saved
