It's the wash house blues It's the wash house blues
Come on pretty lady It's the wash house blues
You gotta wait in the queue You gotta wait in the queue
Come on pretty lady You gotta wait in the queue

You came into my life Like a breath of fresh air
You are my pretty lady You really seem to care

It's near a quarter to six It's near a quarter to six
Come on pretty lady It's near a quarter to six
It's now time to go home It's now time to go home
Come on pretty lady It's time to go home

You came into my life Like a breath of fresh air
You are my pretty lady You really seem to care

We have to try to be happy
As the blues can get us down
We seem to be havin' a bad day
But were nobodys clown

You came into my life Like a breath of fresh air
You are my pretty lady You really seem to care

Welcome to my world Welcome to my world
Come on pretty lady You're welcome to my world
It's the wash house blues It's the wash house blues
Come on pretty lady It's the wash house blues

You came into my life Like a breath of fresh air
You are my pretty lady You really seem to care
You are my pretty lady You really seem to care
