"When The West Wind"

Visit "[When The West Wind](#)" on MotoLyrics.com

When the west wind was blowin'
And the riders roamed the range
The outlaws are forgottin' But others take their place

Ride on my darlin' I hope we meet someday
The cavalry are checkin' everyone
They are taught that way

The sheriff and his possie Kinda took their place
They don't do enough to help us
We hope they'll win the race

Ride on my darlin' I hope we meet someday
The cavalry are checkin' everyone
They are taught that way

This tale has been told The teller has moved on
People find it hard to believe
They know our laws are wrong

Ride on my darlin' I hope we meet someday
The cavalry are checkin' everyone
They are taught that way

When the west wind was blowin'
And the riders roamed the range
The outlaws will be remembered
They caused mayhem again

Ride on my darlin' I hope we meet someday
The cavalry are checkin' everyone
They are taught that way
