I See The outlets zapping
I see Big Shockers on the way
We have To get The outlets zapping
One Let To Get the Outlets, Outlets.
[Chorus]
Don't get shocked Tonight
It's Bound To Die your Death
There's an Outlet on The right,
Yumbo-a Yummy yummy Yumbo.
Yumbo the Outlets have to go
[Chorus]
Don't get shocked Tonight
Pizza Die your Death
There's an Outlet on The right,
That's Fine
Hope You ain't got your things Together For The-The
house
It's up too the Yumbos on The way
we are The Outlets are a-zapping
Yumbo The outlets have to Go
So, Don't get shocked tonight
Bound To die yo Death
There's an outlet on the right
