Tell me you want to go for a ride
Tell you need me deep down inside
Tell me there's nowhere you'd rather be
Then spending the day with me

Tell me, tell me,
That you love me
Tell me, tell me,
That you need me
Tell me, tell me,
Tell me anything
But goodbye, but goodbye

Tell me you like the way that we talk
Tell you'll meet me down by the block
Tell me you've never felt this way before
And you could not ask for more,

Tell me, tell me,
That you love me
Tell me, tell me,
That you need me
Tell me, tell me,
Tell me anything
But goodbye, but goodbye
Tell me that I'm still your guy
Tell me one more secret lie
Tell me there's a place for me
And I'll wait for eternity... eternity

Tell you want to go for a ride
Tell me there's something deep down inside
Deep down inside

Tell me, tell me,
That you love me
Tell me, tell me,
That you need me,
Tell me, tell me,
Tell me anything
But goodbye, but goodbye

Tell me, tell me,
That you love me
Tell me, tell me,
That you need me
Tell me, tell me,
Tell me anything
Biut goodbye, but goodbye
