We got away of getting it done
And we want you to come along
Everyday were having some some fun
And we want you to sing our song
We're A OK and we're jumpin' the gun
And we want you to all belong.

I got your back, you got mine
Were on the right track, and that's just fine.

That's how we roll
that's how we roll
that's how we roll
that's how we roll

We got a beat we're bangin' a drum
And we want you to feel it too
Were on our feet and were gonna run
And we want you to know it's true
We're in the street and we are the young
And we know what your gonna do
I got your back, youve got mine
Were on the right track and that's just fine

that's how we roll
that's how we roll
that's how we roll
that's how we roll

We roll
We roll
that's how we roll
We roll
We roll
that's how we roll
We roll
We roll
that's how we roll
We roll
We roll
that's how we roll

I got your back youve got mine
Were on the right track and that's just fine

that's how we roll
that's how we roll
that's how we roll
that's how we roll
that's how we roll
that's how we roll
