Up all night
Up all night
Up all night
Up all night

Everybody's is telling me
It's getting late
But I'm wide awake
I don't wanna settle down I'm feelin' great
I know what I can take

So don't put on a fight
And don't put out the light

I wanna stay up all night
I wanna stay up all night
I wanna keep it rockin till i see the sunlight
I wanna stay up all night

Everybody is telling to keep it down
I wanna turn it up
I'm the loudest rockin boy in my town
Don't I'll ever stop

So don't put out a fight
And don't put out the light
I wanna stay up all night
I wanna stay up all night
I wanna keep it rockin till i see the sunlight
I wanna stay up all night

Up all night
Up all night
Up all night
Up all night

So don't put a fight
And don't put out the light

I wanna stay up all night
I wanna stay up all night
I wanna keep it rockin till i see the sunlight

I wanna stay up all night

I wanna stay up all night

I wanna stay up all night

I wanna keep it rockin till i see the sunlight

I wanna stay up all night
