This road is winding, narrow and steep
And I can't keep walking with frozen feet,
My spirit is not willing;
My heart is cold as ice;
Thaw out my convictions;
The passion's left my life
I don't wanna be a flame
I wanna be a raging fire
Tired of my will, my way,
Your calling's higher!
Oh I know it's time I stopped running from the truth
So I'll stand here still, until I'm filled
I wanna be moved, I wanna be moved by you!
Wanna be a rebel with a holy cause,
Stand against the Devil and hold up my cross,
You have a mission for me; a reason why I'm here,
To radiate your glory, with sweet songs to your ears
I don't wanna be a flame
I wanna be a raging fire
Tired of my will, my way,
Your calling's higher!

Oh I know it's time I stopped running from the truth

So I'll stand here still, until I'm filled

I wanna be moved, I wanna be moved by you
