The pathway is broken

And the signs are unclear

And I don't know the reason why you brought me here

But just because you love me the way that you do

I'm gonna walk through the valley

If you want me to

Cuz I'm not who I was

When I took my first step

And I'm clinging to the promise you're not through with me yet

So if all of these trials bring me closer to you

Then I will go through the fire

If you want me to

It may not be the way I would have chosen

When you lead me through a world that's not my home

But you never said it would be easy

You only said I'll never go alone

So when the whole world turns against me

And I'm all by myself

And I can't hear you answer my cries for help

I'll remember the suffering your love put you through

And I will go through the valley

If you want me to
