Face lost in the crowd
Feet wandering empty streets
Voice crying out loud
Heart aching with every beat
Someone searching
Searching for someone
Everywhere and endlessly
Wishing, waiting
Could there be someone?
Searching for
Someone searching
Soul battered and bruised
Pride wounded and left for dead
Ears deaf to good news
Eyes tear-drenched and sleepless red
Oh I hear the cry
And I know the pain
Can it be denied?
That everyone has been
And will be someone searching
Love standing alone

Hands scarred by the nails of hate

Hope suffering long

Faith urging it's not too late

Someone searching

Searching for someone

Everywhere and endlessly

Loving, longing

Always there's someone

Searching for someone

Someone searching
