VERSE ONE

I wanna hear the ocean, as I sit back relax in my seat.
I wanna see the roda, while I clapping my hands to the beat.
Doing all the dances in movement.
Hearing all the laughing and children playing.
Singing all the music and just being free.
That's where I wanna be, uh someone join me.

CHORUS ONE

I want somebody to be in motion with me.
I said, do you wanna be?
Do you wanna be?
Do you wanna be?
I want somebody to be in motion with me.

VERSE TWO

It almost seems impossible
To find someone who can dance with me.
I hope that it isn't impossible
Because it would be an inseparable, memory.
Imagine a crowd of unity.
Parents teaching their kids the the right ways to see.
An everlasting feeling of just being free.
That's where I wanna be, uh someone join me.

CHORUS TWO

I want somebody to be in motion with me.
I said, do you wanna be?
Do you wanna be?
Do you wanna be?
I want somebody to be in motion with me.

BRIDGE

Really want somebody
(I said do you wanna be? Do you wanna be?)
Really want somebody
(I said do you wanna be? Do you wanna be?)

CHORUS THREE

I want somebody to be in motion with me.

I said, do you wanna be?
Do you wanna be?
Do you wanna be?
I want somebody to be in motion with me.
