Measuring ultra violent rays won't even compare to me

I am the waves of the unnatural rode

And when I spit it I get it get it yes the supreme

unnatural fraud

I call the doctor on them fools
Guess they needed the help
Hey KK's rapping that's crazy make sure their brains

TALKING THREE

Now now see? that wasn't hard now was it?
Second lesson students. Take note heh, leggo.

VERSE THREE

History
The motivation of lyrical mention
Brung the crowd to a wow and poetic speech and
debation
It was, hardcore when people danced on the floor
Only need a boom box, and a piece of card board
Nowadays
People tripping and they needing some time
They go and break, defying the definition of rhyme
What will it take, to let all the young-ins know
That you don't need the doe to make a sharp blow
(heh)
Success, the rest it'll put you through a test
If you study real hard you'll be the very best
And I'm aiming to winning and really getting to getting
And not stopping to dropping although non the less
Career is entire and I'm young to inspire,
All the best things in life is not a mess
If you study real hard you'll past the test
And then we'll see who is the best

TALKING FOUR

Mirror mirror on the wall,
Who is the best after all?
Because me, I'm honor roll, and to me that's beautiful.

CHORUS THREE

Ring me alarm, I'm on fire
Feeling like this rhythm would take me even higher
S.S.F we in it to win it we got the Burgh on top(All my
people stand up)
Ri-Ri-Ri Ring me alarm
I'm on fire
Feeling like this rhythm would take me even higher
S.S.F we in it to win it we got the Burgh on top(All my
people stand up)

TALKING OUTRO
