When I close my eyes,  
all I see is you  
these wicked games you play,  
they tear my heart in two

Your clock on the wall keeps ticking me off  
I'm hanging onto the phone,  
waiting for you to call.  
How can I dream when I'm always dreaming of you?

Chorus:  
You're giving me insomnia!  
'cause all I want is your love.  
boy, you got me hypnotized!  
see it in my eyes  
can't sleep. can't eat. can't think  
'cause you're giving me insomnia  
and all I want is your love  
boy, you got me hypnotized!  
see it in my eyes  
can't sleep. can't eat. can't think  
you're giving me insomnia

In my nightmares I'm just lying there alone.  
like a prisoner who's far away from home

Your clock on the wall keeps ticking me off  
I'm hanging onto the phone,  
waiting for you to call.  
How can I dream when I'm always dreaming of you?

Chorus:  
You're giving me insomnia!  
'cause all I want is your love.  
boy, you got me hypnotized!  
see it in my eyes  
can't sleep. can't eat. can't think  
'cause you're giving me insomnia  
and all I want is your love  
boy, you got me hypnotized!  
see it in my eyes

can't sleep. can't eat. can't think  
you're giving me insomnia

You're giving me insomnia  
'cause all I want is your love.  
you're giving me insomnia

[Chorus:]

Can't sleep when I'm thinking about you
