Change by La reine des damnÃ©s

I watched you change

Into a fly

I looked away you were on fire

I watched a change in you

It's like you never had wings

now you feel so alive

I've watched you change

I took you home

Set you on the glass

I pulled off your wings

then i laughed

I watched a change in you

It's like you never had wings

Now you feel so alive

I've watched you change

It's like you never had wings

(harmonizing)

I look at the cross

Then I look away

I give you the gun

Blow me away

I watched a change in you

It's like you never had wings

Now you feel so alive

I've watched you change

You feel alive

You feel alive

You feel alive

I watched you change

It's like you never had wings

You changed

You changed

You changed
