#### VERSE

I don't care for you  
Lie's to live alone  
It's those two birds I've killed with my stone  
My heart stopped beating like a drum  
As I let my hand go

#### CHORUS

Ooh Ooh I've died  
The speed of sound on high  
It took all that was mine  
You took all that was mine  
Beautiful Sound

#### VERSE

Like a silent cold  
And in the calm I breath along to my hero  
Tangled wires spiraling down my pulse  
Changeless ways of life have got me fighting  
Life defying close  
My heart started the beat of this drum  
Shock to chest rhythms a go  
Oh

#### CHORUS

Ooh Ooh I've died  
The speed of sound on high  
It took all that was mine  
You took all that was mine  
Beautiful Sound

#### BRIDGE

Iâ'm of skin and bone  
Iâ'm of skin and bone  
Iâ'm not letting go  
I should of have known  
I should of have known  
Not to throw the stone  
But I sleep alone in my dark home  
Damage undone, beat in my soul  
Beautiful sound don't go

CHORUS

Ooh Ooh I've died  
The speed of sound on high  
It took all that was mine  
You took all that was mine  
Beautiful Sound  
Beautiful Sound don't go
