All the way, I only see you when it's all the way
And you're convinced that I am your best friend
And we both dream like this never ends
But oh oh, it ends so slowly
You used the sheet to chase the sun away
We spend the morning in ,
And I'll be waiting when you meet the cold
We'll run off together

Oh, oh, oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh, oh
Let's hit this plastic scene
You're dancing in my dream
Oh, oh, oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh, oh
I've never felt this alive

All the way, it's really something when it's all the way
A real connection in a world of fear
It's overwhelming when I have you near
But oh, oh you're leaving anyway
The clock is ticking on our time to play
I know there's something lurking under here
If I acknowledge it will disappear
So let's just forget it

Oh, oh, oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh, oh
Let's hit this plastic scene
You're dancing in my dream
Oh, oh, oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh, oh
I've never felt this alive

After what we did tonight
Why won't you give up the fight?
Feel this base in your chest
Bounce around with all the rest
Even though it's chemical
Don't you think our love is up?
Please don't make me leave tonight

Please!

All the way, I only see you when it's all the way
And you're convinced that I am your best friend
And we both dream like this never ends
But oh oh, it ends
Oh, oh, oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh, oh
I've never felt this alive
