## "Dreaming"

At night when all the world's sleeping  
And I am wondering if you'll be dreaming of me  
It's those things I say before I go to bed  
Thoughts of you  
Running in and out my head  
In and out of my head

Farewell  
Goodnight  
Sweet dreams to my darling  
Farewell  
Goodnight  
And I hope your dreaming of me [2x]  
*Now just lay still and close your eyes  
Don't she'd a lonely tear tonight  
I'll see you  
On the other side  
Where cotton candy falls from the sky*

*Farewell  
Goodnight  
Sweet dreams to my darling  
Farewell  
Goodnight  
And I hope your dreaming of me [2x]*
