[Pitbull] Pequeño Juan Frankie j Ken y Mamita why we gotta keep going through this [Frankie-J] Just yesterday you said you loved me That There's nobody else above me That I was yours and you were mine that there was no limits to us skys Then you had to put our love on hold When it came to making love it wasn't you anymore Now you telling me to leave I gotta walk out the door Can't you see that this is killing me it's hurting my soul Oh baby [Ken-Y] How am I suppose to leave you When my heart tells me to keep you How can you ask me to let you go? No I just can't let you go No I just can't let you go Can't you see I'm slowly dying but I'm gonna keep on trying Please don't ask of me to let you go [Pitbull] Let me start by telling you that I love you with all my heart But I can't understand the reason When you telling me to leave Girl me and you were suppose to be for ever and ever But instead of being in love it's like we're used to each other How could we do this to each other We used to ride for each other die for each other cry for each other But now it's like all we wanna do is say bye to each other I can't let this happen I refuse to lose you I love you baby it's the truth as usual I wanna make you happy girl It ain't hard to see you mean the world to me We've been through it all thick and thin right or wrong I can't let you go cause this love to strong [Ken-Y] How am I suppose to leave you When my heart tells me to keep you How can you ask me to let you go? No I just can't let you go No I just can't let you go Can't you see I'm slowly dying but I'm gonna keep on trying Please don't ask of me to let you go [Pitbull] Look baby just tell me what you want Look baby just tell me what you need Look baby I know I'm far from perfect The game and the money they can take cause it's worthless I know it's hard to deal with my life I know it's hard to deal with all the gossip I've seen him with this one I've seen him with that one But everything that they say is nothing but nonsense Can you feel it in my voice mami You're my heart my soul my love and I swear to you baby I just wanna give you my heart my soul my love I know we can work this out I know we can baby let's try But the one thing I won't do

is let this love die [Ken-Y] How am I suppose to leave
you When my heart tells me to keep you How can you
ask me to let you go? No I just can't let you go No I just
can't let you go Can't you see I'm slowly dying but I'm
gonna keep on trying Please don't ask of me to let you
go [Frankie-J] Don't ever leave me yes I'm dyin to let
you go The only thing I get from it Is all this crying Tell
me how am I suppose to let you go (no, no, no) [Ken-Y]
How am I suppose to leave you When my heart tells me
to keep you How can you ask me to let you go? No I just
can't let you go No I just can't let you go Can't you see
I'm slowly dying but I'm gonna keep on trying Please
don't ask of me to let you go
