442 GLENWOOD AVENUE  
Pixies 3

After school (??-unclear)  
Bring the boys and baby I want you to come  
All my girlfriends are gonna be there  
We'll be there let me tell you where

REFRAIN  
442 Glenwood Avenue  
442 Glenwood Avenue  
Come along, come on  
It's the great place just next door (??)  
442 Glenwood Avenue

Goofy Eddie's gonna bring his ukelele  
Groovy Freddy's gonna dance all night with Sherry  
I can't wait till I see you there  
See you there let me tell you again the number's

REFRAIN

Bop bop bop bop we'll turn the lights down low and  
Bop bop bop bop we'll dance (??-unclear)  
Bop bop bop bop and when the party's over you'll walk  
me home  
Now let me hang up the phone  
And don't forget the number's

And don't forget the number's

REFRAIN while fading
