Verse one-Coosoz

Ok imekuwa ni ngumu mimi ku anza story
Lakini ninataka kwanza kushukuru mola
Aciya tek karec ic ku be ya bei bei
I thank almighty God for keeping me alive
Menimen and Lawless in this hard core life
Kuumia usiniambie kuwa kueli nimesikia
Singejikaze sana bahri nime pitia
Wengi nimewaona kwa njia wakikufia
Usiniambie niokoke o yes nimekubali
Life nime jaribu na tena mimi si toki
As long as my God nina jua hata choka
Mungu kweli ni yumwema nimesikia wakisema

Verse two-Lawless YB

Nhalic ye ngu mene yen eran aben pinhnyom?
Na nong ke ca wuoc kelek ke yen
Ana nhuol tuk yi nhom ku weli nyin roor
Ana ran rec kace puou a wece
My sins are too heavy to carry for years
But there stays some one who gonna wash my tears

I'm seeking pardon from lord to cleans me
Living as a refugee for decades
And he stood by me {by me by me}
Walking over death in firing line
And he's down for me {for me, for me}
I hunt for money to end my miseries
A voice whispered live in disarray
Parents avoid their children to come near me,
Told me you ain't a stranger no more pain and worries
My time is there to go home
I pray God to save me till the end of time come

Chores

Verse three-Lawless YB and Coozos

Every day I cry cos no where to hide
I see tribulations and nobody by my side
Became a refugee at fourteen
In this world I'm living in a hell you never seen
Things'll never change unless we drop gun
This searing pain'll never ease we'll always be on run
Life as a refugee is full of trauma
I seek refuge in drugs but that was not the answer
Coosoz clan
Ok nafanya nini God for long mimi nalia
Maisha nina sema fadhali singe zaliwa
But now I've seen light I'm no longer refugee
Kumbuka kwake mungu mandugu tuko pamoja
Tuko kwele sambaza kama uji na ugonjwa
My prayers to my God nina sema aleluya
Ja nime furai maisha mimi ninayo
Wenge waitamani lakini ah ah sidhani
