Your body's in need of me

When you're feelin freaky and  
Your body's in need of me  
You can... (call me), call me, (call me)  
You can call me  
When you're feelin freaky and  
Your body's in need of me

Or two way me when your baby daddy ain't home

[Hook]

[Skillz]

Her body's feeling freaky  
She calls me when she needs me  
She can't wait to please me  
I don't need you to believe me  
I'm not her man or lover  
We understand each other  
It's somethin bout the cover  
We always using rubbers  
She loves to go down  
I never return the favor  
That's why she so down  
Creepin so much you would think we neighbors  
She loves to keep the dick up inside her  
I would say a definite rider  
And just because of the player she chose  
It doesn't mean I'ma give her the go

[Hook]

[Play]

She won't roll with a player like you  
She wanna roll with a player like me  
She callin me cuz she's in the need  
Of a player like me that's stackin G's  
That break her back, and put it back  
Don't be mad cuz your girl keep callin'  
23's coop, she's callin me cuz your boy is ballin'  
I know that she's gotta man  
With a game plan, with the wedding plan  
But, I'm not the man, we're not holdin hands  
But, whatchu have, your man don't understand  
She's callin me up when she leaves her job  
That's what's up, when she leaves the club  
Had too much, she wanna cut, that's what's up

[Hook]

[Young Noble]

When I'm alone in my room  
Sometimes I stare at the wall  
And in the back of my mind  
Hearing my cuntians crawl  
Telling me I need a girl whos as sweet as a dove  
But I'm still young chris, I'm just reaching the dub  
You can't move me that fast its like a movie to me  
So many groupie I see  
How can I lose what I have  
Tell that bitch I'm a boss playa  
Shake it like a saltshaker

Care less about your damn man (Young Gunz)

[Hook]
