(feat. Tech N9ne)

[Tech N9ne]  
Mitch Bade [x3]

[Chorus: Tech N9ne]  
What is an M-I-T-C-H  
A nigga who's a B-I-T-C-H  
He never wants to - congradulate, he hates  
Cuz he's a fucking M-I-T-C-H

[Tech N9ne]  
What up Mitch  
Is it an every day thing for you to act just like a bitch  
How does it feel, to have a nigga that will kill  
ya, for the foul shit you pitch  
Number one snitch  
A bitch with a dick  
I found the remedy for the enemy  
(What?)  
Bust at a nigga like shootin' at the Kennedies  
Cuz Mitch Bade really ain't no friend of me

[Bakarii (Tech N9ne)]  
To be exact  
He's a nigga that talk but he really can't back  
That shit he talks so he gotta walk around with a gat  
But a nigga like me, (I'll knock 'em out with the force of  
a hurricane)  
The penalty from the path if you disrespect the game

[Tech N9ne] (Bakarii)  
Now what goes on inside the mind of a nigga like this  
This nigga pissed  
Cuz I pump bout four rounds up in the trick that he's  
with  
But it ain't my fault you're a little bitch  
(Without yo click)  
Nigga run with the quickness  
(Get away quick but you'd best not slip)  
Better off with a bianca than get stuck  
(With an Ak-47 on yo lip)

Right

[Bakarii]

Even if I'm lifted I can scope him from a mile away  
Niggaz fakin' like anticipating their doom's day

[Tech N9ne]

Camouflaging but I can see you acting like a bitch  
Which are the symptoms of a nigga named Mitch

[Chorus: Tech N9ne (Bakarii)]

Have you ever met a nigga who was pie sprung  
There's a lot of slinkin niggaz where I come from  
There's another missile catcher just like him  
His name is Mitchell Bade (Mitch Bade) Mitchell Bade  
(Mitch Bade)  
If a Mitch is in your mix you best to check one (you  
gotsta check one)  
And be re'd' to for milli when the next one come  
If a nigga got a foot up in his rectum  
His name is Mitchell Bade (Mitch Bade) Mitchell Bade  
(Mitch Bade)

[Big Scoop]

Niggaz know me  
Big homie from the show me  
Cookin' up by the O-Z's  
Let 'em go for the low fee  
Gritty, grimey all day all night  
All I know is, get that cash  
Any nigga that's in my path  
All I know is, bust that ass  
Ain't much changed Villian  
Still with this game Villian  
Still dubbin' that 'caine  
Poppin' our vein  
Fuckin' yo brain Villian  
But Mitch done made his way and slithered in our shit  
again  
It's 2K2 and now we dealin' with this shit again

[Txx Will]

Now look at this nigga let that pussy get him whipped  
See us lookin' from the club and he wanna trip  
That's when I peep this nigga had a weakness  
Don't wanna start no street shit  
Not over this freak bitch  
He should be glad that I showed him  
You can only trust a cock about as far as you can throw  
him  
So let that trick do just what that trick do

Or get labelled Mitchell

And smacked with a pistol

[Chorus: Tech N9ne (Bakarii)]

Have you ever met a nigga who was pie sprung  
There's a lot of slinkin niggaz where I come from  
There's another missile catcher just like him  
His name is Mitchell Bade (Mitch Bade) Mitchell Bade  
(Mitch Bade)

And be re'd' to for milli when the next one come  
If a nigga got a foot up in his rectum

(Mitch Bade)

[Bakarii]

Toss it to Bakarii  
Bitches mackin, feelin  
Doin' my dealin'  
I hit the pussy first night then escaped like a Villian  
You takin' her feelings and give her diamond rings and  
things  
I'm tappin' the pussy and bustin' head, fortune springs  
a Villian  
You better watch her man  
You better stop her man  
She's with my dogs at the mall better drop her hand  
Cuz she's addicted to them dogs with them roguish  
ways  
Who chop up ? and throw them things on that Mitchell  
Bade

[Tech N9ne]

Cruisin' down the spec with  
(Who?)  
Texas, action, neckage  
With a sex kit  
And Tech got the best bitch  
(Chu)  
But her nigga's on some next shit (next shit)  
Cuz she tested Tech's dick for breakfast  
Stress hits, domestic  
Go!  
Nigga wanna get up in the thing wit' me  
For a bitch who never ever meant a thing to me  
(Boooonk)  
Nigga wanna and come sing with me for a bitch that  
wanna do a tagteam wit' me  
(Boooonk)

Never ever been a thing to me to get bitches up in the  
middle of a thing? with these  
('Iaaancs)  
Mothafucker wanna strangle me  
(Zooooonk)  
It ain't never been a mothafucking thing for me to  
(Duuuump)  
Once again Mitch Bade  
Gets played  
Nigga should've never layed with a stray hoe  
Pimp shit displayed  
This way  
They want a nigga when they hear him on the radio  
Like a bitch I call ??  
Back in the club she's down on her knees  
Lickin' my balls  
Out of my drawers  
Ya nigga bustin' like "Aw naw!"  
Playa haters wanna box with a boot knock  
(Cha)  
Cuz the hoe bitch blew me out of two sock  
(Cha)  
So we do it in the parking lot  
I heard a nigga bust two shots (two shots)  
? with a thing that I knew pop (knew pop)  
With a whole lot of Hoo hop  
Nigga you can bet when his crew got  
hit, a mothafucker with a heater  
'Bout to do a nigga prrrrrrrrrrrraaaaaah!

[Chorus: Tech N9ne (Bakarii)]  
Have you ever met a nigga who was pie sprung  
There's a lot of slinkin niggaz where I come from  
There's another missile catcher just like him  
His name is Mitchell Bade (Mitch Bade) Mitchell Bade
