Walk where you want
Crawl if you need
It's alright by me
'Cause I will always love you
Just dance my dance
Or crash my car
Be who you are
And I will always love you

Oh stormy brown eyes
Sweet angel with the fire
That lights the way
Oh stormy brown eyes
I love you and I always will

And I always will

Spend all all my cash
Drink all my drink
Think what you think
But I will always love you
Do what you need
I had my day
Turned out OK

And now I-I-I-I will always love you

(Chorus)

Yeah yeah yeah

(Chorus)
