[Intro - Plies, (Pleasure sings "Look at my shawty" in the background)]

Plies baby

Let me see if I can do it again homie

This time I'ma do it with my lil' homie Pleasure and Trey Songz on this one baby

[Chorus - Pleasure]

You got me saying my, my, my, my, my, my, my  
Shawty looks good tonight

Look at my shawty, look at my shawty, look at my shawty

From the first time we made love, I knew you was my shawty

And when I did that bid, you always had my back,  
cause you are my shawty

That's why I don't mind caking up with you, cause you are my shawty

And girl I love all the freaky things we do, shawty

[Verse 1 - Plies]

I don't call her shawty no more, I call her my bust it baby

Told her she ever let me fuck, I was gon run her crazy

Gave her some of this sweet meat, now I got her cravin'

Felt sorry for my baby, how I left her shakin'

Told her don't move, let me wipe you off baby

Kissed her in her mouth and told her I love she take it

Put her head on my chest and fell asleep naked

She was shy when I met her, now she participatin'

Keep the lights on, so I can see she amazin'

Sexy as hell, I love to watch her while she bathin'

Come and wake me up to help her when she shavin'

She my bust it baby, she smiles when I say it

[Chorus - Trey Songz]

My, my, my, my, my, my, my

Shawty looks good tonight

Look at my shawty, look at my shawty

From the first time we made love, I knew you was my shawty

And when I did that bid, you always had my back, you  
are my shawty  
Thats why I don't mind caking up with you, cause you  
are my shawty  
Girl I love all the freaky things we do, shawty

[Verse 2 - Plies]

You know she bad, cuz she walk with her nose in the air  
She fine in everything, don't even matter what she  
wear  
To get her started, I just run my fingers through her  
hair  
You know it's mine, cuz she let me give it to her bare  
I broke bread with her, just to show her a goon care  
What I love about her, baby she turn me on anywhere  
You know she bad, she fuckin' you can't help but stare  
I know I had her when she told me, baby I don't share  
I told her me neither, I don't put my tongue everywhere  
She ask me was it good to me, I told her hell yeah  
I had to teach her a lil' bit, I took her from a square  
I put my stamp on it, it's all mine, I made it clear

[Chorus - Trey Songz and Pleasure]

My, my my, my, my, my, my  
Shawty looks good tonight  
Look at my shawty, look at my shawty  
From the first time we made love, I knew you was my  
shawty  
And when I did that bid, you always had my back, you  
are my shawty  
Thats why I don't mind caking up with you, cause you  
are my shawty  
And girl I love all the freak things we do, shawty

[Outro - Pleasure (x2)]

Shawty we can do it all night, we can do it all day  
Shawty won't you come and let me get some of your  
foreplay  
We can do it all night, we can do it all day, shawty
