"All Around"

We've been all around the world,
Seen so many things,
And tasted all the good things that life can bring,
We're like brothers now, and that ain't gonna change
And even when things go wrong, they're always by my
side.
We each bought a ticket for this ride.

[BRIDGE]

We're only going one way,
Ain't no looking down
We'll be rockin' it all around.

[CHORUS]

Gotta get up, just to get down.
Us Five boys are always gonna rock you.
Hey, hey, we're movin' on now
All through the night, sing it now,
Yeah when the lights go down
Raise your hands if you got that feelin'
Hey, we've been rockin' it all around.

I remember all the times,
All the laughter and the tears.
Special little moments through all of the years
But the sands of time go by, we're older and we're
wise,
Never dreamed we'd come this far, but we remember
who we are.
Guess we've been guided by a lucky star.

[BRIDGE]

[CHORUS]

We've been all around the world,
We each bought a ticket for this ride,
We're only going one way,
Ain't no looking down
We'll be rockin' it all around

[CHORUS x3]
