Here we go  
Aight  
Can't fight the feelin' ya got now

Why do ya put up  
A fight with your feelings  
Girl we've been friends now  
For far too long  
I know some part of you  
Thinks that I'm scheming  
But there's no way I could do you wrong

I say love, you said it ain't that  
Then you turn around and come back  
I can tell the way that you act  
That you want this

Don't ya fight it, Girl  
It's only natural  
Can't disguise what's in your eyes  
They say too much  
Don't deny that  
When we touch  
It's phsyical  
Let it be  
You and Me  
Don't fight it Baby

Don't need to tell me  
We're riskin this friendship  
(are friendships for real?)  
But there's no stopping  
This vibe we're on  
And when we play  
I can feel we're not joking  
(haha this ain't a joke)  
In every stare  
That we share too long

I say love, you said it ain't that

Then you turn around and come back  
I can tell the way that you act  
That you want this

Don't ya fight it, Girl  
It's only natural  
Can't disguise what's in your eyes  
They say too much  
Don't deny that  
When we touch  
It's physical  
Let it be  
You and Me  
Don't fight it Baby

What everybodys knows  
Don't fight it baby  
Just let your feelings show  
Don't fight it baby  
Don't wanna let it go  
Why fight it baby  
Look to you heart  
And you'll know that you want it

The way you put me on  
Make me real feel hot  
With a cheek  
Ya gotta shake it  
Show me what ya got

[girl speaking spanish]

Don't ya fight it, Girl  
It's only natural  
Can't disguise what's in your eyes  
They say too much  
Don't deny that  
When we touch  
It's physical  
Let it be  
You and Me  
[repeat 2x's]  
Don't fight it baby
