Na na na na na nah  
Na na na na na na na nah(x4)

Here we go again with the beats  
We got you heads bumping  
Now you're jumping from your seats  
If this is what you're wantin' over there  
Throw your hands up in the air  
Because ya know we bring the sounds so unique

Now everybody's movin'  
Everybody's grooving  
Getting down with 5ive when we come your way  
Move it to the left  
Now you shake it to the right  
Beause ya know we gotta keep this party  
Pumping through the night

Check me out now

Yo! 7,6,5,4,3,2,1  
I'm on the microphone, got you hot like the sun  
So A 1,2,3 now I'm waiting on the 4  
Kick down the door and turn it up a little more

If you got the feelin'  
Jump to the ceiling  
Ah we're getting down tonight  
1 if you gonna, 2 if you're wanna  
3 cause everything's alright  
If you got the feelin'  
Let's stop the dreaming  
Ah, we're getting down tonight  
It's just round the corner  
Tell me if you wanna  
5ive will make you feel alright

Uh, move it up the back to the track  
We got it going on  
We're da leaders of da pack  
Now if you feel alright, hold it tight

See, we wanna carry on  
Cause we gonna take it through  
Unto da dawn

Now everybody's movin'  
Everybody's grooving  
Getting down with 5ive  
When we come your way  
So raise up your arms  
As we drop it on the 1  
You see we're gonna carry on  
Because the fun has just begun  
Check us out now!
