If ya getting down, baby
I want it now, baby
Come and get it on, baby
I want it now, baby

I wanna take a little time
To refresh your mind
Because the boys are back in town with a different kind
Of funk, who gets the funk, we gots the funk right
Everybody wanna boogie down tonight
Now throw your hands up in the sky
Move around from side to side
I got what it takes, the beats, the breathes,
The funky base, I take your body crazy, chase
C?mon

I heard somebody saying (what)
She?s at the party singing (who)
I?m gonna get me some
Ahhh

If ya getting down, baby
I want it now, baby
Come and get it on, baby
I want it now, baby

If ya getting down, baby
I want it now, baby
Move it all around, baby
I want it now, baby

Wiggy wiggy
I?m getting jiggy
Open up the door, got the keys to your siggy
Looking kind of pretty
Dance till you drop, and it down stop till it goes ...
Dance how you wanna dance
The soul?s getting down, while we got the chance
I still got 12 seconds on the ...
And I ain?t gonna stop till the sun don?t shine
Line after line, I flow like rime after rime

Just like time after time
Keep it up till you feel the heat
And get down what you feel the beat
Ah ah

I heard somebody saying (what)
She?s at the party singing (who)
I?m gonna get me some
Ahhh

If ya getting down, baby
I want it now, baby
Come and get it on, baby
I want it now, baby

If ya getting down, baby
I want it now, baby
Move it all around, baby
I want it now, baby

Doing a problem that we can fix
Cause we can do it in the mix
Now if you men getting trouble
And will be in to run a double
Guarentee to will be hitting for six
C?mon yeah

I heard somebody saying (what)
She?s at the party singing (who)
I?m gonna get me some
Aaaaaaaahhhhhhhhhhhh

If ya getting down, baby
I want it now, baby
Come and get it on, baby
I want it now, baby

If ya getting down, baby
I want it now, baby
Move it all around, baby
I want it now, baby

If ya getting down, baby
I want it now, baby
Come and get it on, baby
I want it now, baby

If ya getting down, baby
I want it now, baby
Move it all around, baby
I want it now, baby
