Five bad boys with the power to rock you
Blowing your mind so you gotta get into
Five, whatcha waiting four if you wanna
Two (two)
Three (three)
One let's do it

When the five of us make one
Do you wanna get freaky
You gotta push the good vibe on
If you really wanna feel it
Got da flava in my song
Do you wanna get down
But I really need to know
Do you wanna get funky

Do you wanna get down

Get on down
Slam dunk da funk, put it up
[Chorus:]
(If you got that feeling)
Slam dunk da funk, put it up
(If you got that feeling)
Slam dunk da funk, put it up
(If you got that feeling)
(put it up)
Slam dunk da funk

You gotta shoot, pass, slam baby time to set it off
Ally oop, baby, whoop, there it is and now I gotcha
I'll be up, up away, above the rim and hook a shot
Three seconds left, it's just enuff for me to rock ya
Now check it, how I flip it rock a beat 'cause
I get with it and everybody wants to be the man
Everybody grab a party and just get on down

With a hey, yippee yo yippee four quarter slam
Do you wanna get funky
Do you wanna get down
Do you wanna get down

Get on down
Slam dunk da funk, put it up
[Chorus:]
(If you got that feeling)
Slam dunk da funk, put it up
(If you got that feeling)
Slam dunk da funk, put it up
(If you got that feeling)
Slam dunk da funk
(put it up)

You wanna know what hits you like a fork lift truck
We got J, AB, Rich, Sean and Scott rocking the extra
Curricular ladies love particular fella
Five bad boys, honey no, we don't quit til we hit
Who knock da meter get the boom shake regular
The rebound sound with a kick
As I boomshake n' rock a body
Gimme room
So come on everybody, everybody in tune

Clap your hands
Stamp your feet
Push it in, pull it out to the beat

[Chorus:]
(If you got that feeling)
Slam dunk da funk, put it up
Slam dunk da funk, put it up
(If you got that feeling)
Slam dunk da funk, put it up
(If you got that feeling)
(put it upSlam dunk da funk
