Diggy diggy down  
Diggy down check

[Bridge:]

I know that you want something from me (yeah)  
Well I've got something I know you need  
From the east to the west everybody get up now

Cos this here's a party and we gotta get on down  
(Break it down, Break it down)

[Chorus]

Never have you ever seen or never will you chec  
A fly human being I'm as funky as it gets  
So step back relax the wax is boom diggy  
Watch the boys breaking it down city to city

Everybody's got to feel the heat slide on over here  
Cos it's a party (Slide on over) from the east to the west

Everybody get up now (Get on up, Get on up)  
Cos this here's a party and you gotta get on down  
(Break it down, Break it down)
