Now and forever, Until the time is through

I can't believe it, I don't know where to start,
No baby, So many questions deep inside my heart

Give me a moment before you go,
There's something you ought to know.

[Chorus]

Baby now and forever,
Until the time is through (Until the time is through),
I'll be standing here,
Waiting and never give up my faith in you (Give up my
faith in you),
Trying to make it clear,
Without your love, I'd be half a man, Maybe one day,
You'll understand,
Now and forever, Until the time is through

I'll be waiting!

How can I tell you, so that you can see,
You know that, Love has a meaning,
When you are here with me (When you are here with
me baby)

Give me a moment before you go,
There's something you ought to know.

[Chorus]

Baby now and forever,
Until the time is through (Until the time is through),
I'll be standing here,
Waiting and never give up my faith in you (Give up my
faith in you),
Trying to make it clear,
Without your love, I'd be half a man, Maybe one day,
You'll understand,
Now and forever, Until the time is through

There is no one to comfort me,

Here in my cold reality,
I'm searching for words,
What can I say to make you see.

Baby now, Until the time is through, I'll be Here. [2X]

[Chorus]

Baby now and forever,
Until the time is through (Until the time is through),
I'll be standing here,
Waiting and never give up my faith in you (Give up my
faith in you),
Trying to make it clear,
Without your love, I'd be half a man, Maybe one day,
You'll understand,
Now and forever, Until the time is through
