7-4 9-5 10-6 Used to be what I despised
It would never be my way
Monday through Friday counting days

Quality of life that's what I'm looking for
No more afraid of the common way out
Working man hero
Now I look up to you
Unwritten rules treated you like a fool

I've been wrong
I admit that I've been wrong
But I know better now
What once seemed so far away
Is getting closer every day

Quality of life that's what I'm looking for
No more afraid of the common way out
Working man hero
Now I look up to you
Unwritten rules treated you like a fool

Zero! Hey! Hey! Hey! Zero turned hero
Years of disrespect

I'm glad to see you go
Working man hero The working man hero
Hero Hey! Hey! Hey!
Working man hero
Years of being wrong
I'm glad to see you go
Working man hero The working man hero

Quality of life that's what I'm looking for
No more afraid of the common way out
Working man hero
Now I look up to you
Unwritten rules treated you like a fool

Zero! Hey! Hey! Hey! Zero turned hero
Years of disrespect
I'm glad to see you go

Working man hero The working man hero
Hero Hey! Hey! Hey!
Working man hero
Years of being wrong
I'm glad to see you go
Working man hero The working man hero
