I've been trying to ease my mind
From this life that I have been thrown into
I no longer know who to trust
They keep hurting me no matter what I do
It's a big world out there
And sometimes it can swallow you up
But never give up yeah

[CHORUS]

I've been tryin' to find a friend in this crazy world
And the more that I try to find a friend in this crazy
world
I'll sail the seven seas
I would climb a mountain high

To get you in this world of mine

I've been dying to meet someone
Just to share all the things other people do
Just a laugh or a cry
Just a simple goodbye
I will see you soon, would do
I promise you I won't let you down
Come to me
I will make you see yeah

[CHORUS]

To get you in this world of mine

I've been searching for someone to care
Someone who'll always be there

[CHORUS]

To get you in this world of mine

I've been tryin' (I'm tryin') to find (I'm dying) a friend
(I'm fighting) in this crazy world (I'm fighting for you)
And the more that (I'm tryin') I try (I'm dying) to find
A friend (I'm fighting) in this crazy world (I'm fighting

for you)

I'll sail the seven seas
I would climb a mountain high

To get you in this world of mine
