Making your way in the world today takes everything
you've got
Taking a break from all your worries sure would help a
lot
Wouldn't you like to get a way?

All those nights when you've got no lights, the check is
in the mail
And your little angel hung the cat up by it's tail
And your third fiance didn't show....
....SOMETIMES YOU WANNA GO

Where everybody knows your name
And they're always glad you came
You wanna be where you can see, all troubles are all
the same
You wanna be where everybody knows your name...

Roll out of bed, mr. coffee's dead, the morning's
looking bright
And your shrink ran off to europe, and didn't even write
And your husband wants to be a girl...
...BE GLAD THERE'S ONE PLACE IN THE WORLD

Where everybody knows your name
And they're always glad you came
You wanna go where people know, people are all the
same
You wanna go where everybody knows your name

.....
