You.....

I've finally found the nerve to say  
I'm gonna make a change in my life  
starting here today  
I surrender all my love  
I never thought I could  
I'm giving all my love away  
and there's only one reason that I would  
and baby it's you....

(CHORUS)

the way you walk  
the way you talk  
the way you say my name and smile  
the way you move me  
the way you soothe me  
the way you sleep softly through the night  
every morning you rise and open your eyes  
I just wanna be there with you baby  
I just wanna be yours from this day forth

next year lets call this day our anniversary  
the day I placed my heart in your hand  
and said that it was yours to keep  
from this moment on say that you'll always be mine  
cuz girl without a love with you  
there's only one thing that's in my mind  
and baby it's you...

(CHORUS)

the way you walk  
the way you talk  
the way you say my name and smile  
the way you move me  
the way you soothe me  
the way you sleep softly through the night  
every morning you rise and open your eyes  
I just wanna be there with you baby  
I just wanna be yours from this day forth

(SAXOPHONE SOLO)

I just wanna be yours from this day forth..

(CHORUS)

the way you walk

the way you talk

the way you say my name and smile

the way you move me

the way you soothe me

the way you sleep softly through the night

every morning you rise and open your eyes

I just wanna be there with you baby

I just wanna be yours from this day forth

(3X-fading out)
