I hit 'em in the back of my (CAR)

Make 'em ride like a see (SAW)

I make 'em laugh and giggle

Cuddle a little

Suck on the nipple

Lick the whip cream from the middle

Girlfriend I never go (RAW)

I rip off panties and I pop off (BRAS)

Yeah U.E.S.B.A

Ask around the block how freaky we (ARE)

I drink Red Bull so I keep stamina

Rubbing your belly

Busting your brains

Whats my name (whats my name)

From the pretty, pretty chicks

Yeah pretty damn rich

[VERSE 3]  
Slick got more game than a little bit  
Baby girl 5' 5", brown eyes with them thick lips  
Thick thighs with the slim hips  
Sugar honey, ice tea  
Baby girl is the shhhhhhhh  
and a bag of chips  
I like to catch her when she coming home  
Like side with a cherry thong  
Eat her up like a sundae cone  
But as of morning you got me open  
Your tongue is stroking no joking  
Coochie swollen, the bedroom smoking  
GET SOME AIR UP IN THIS ROOM GIRL  
(beathes heavily)  
If loving you is wrong, I don't wanna be right  
So I'ma take my time and do it right  
Caz we got all night ..... caz we got all night, baby girl  
just

[Chorus: repeat 2X]  
Baby grind on me relax your mind take your time on  
me  
Let me get deeper shawty, tide on me  
Now come and sex me till your body gets weak  
We slow grinding baby
