Price Kelly
"Friend Of Mine"

(featuring Ronald Isley and R. Kelly)

Kelly:
I was the one who picked her up
When her so-called friends let her down
And I was the one who took her in
When the fool put her out
A true friend indeed, you see
I was there when the chips were going down
She betrayed me, caught him with her
Coming in from outta town

chorus
Tell me why
Why why why why why why why why why why
I wanna know why, baby

Kelly:
Now I put my trust in him
I can't believe he slept with her behind my back
I went out on a limb
Even covered up to keep his thing in act
What he had in me was so real
Was hard to come about

chorus

She was my best friend
There with me through thick or thin
Sisters to the very end
I can't believe, can't believe it
Can't believe it

Ronald Isley:
So just call him up

Kelly:
I don't wanna

Ronald Isley:
Call him, baby

Call him, honey, right now

Kelly:
I'm calling, I'm calling

(phone rings 3x)

R. Kelly:
Hello, who is this?

Ronald Isley:
This is Mr. Bigs

R. Kelly:
How ya doing, Mr Bigs?

Ronald Isley:
What the hell is going on?

R. Kelly:
What do you mean, what's going on?

Ronald Isley:
Kelly's telling me that she's seen you
With another woman

R. Kelly:
Just because she sees me with her
Doesn't mean I'm sleeping with her

Ronald Isley:
If you're not sleeping with her
What the hell you doing with her

R. Kelly:
Now, I can just be talking to her

Ronald Isley:
Or you could be just creeping with her
Now, son, from man to man, we both know the game

R. Kelly:
Yeah, but what's . . .

Ronald Isley:
Wait a minute, and you know all about heartache
and pain, this is my god daughter, and I'm tryin
to protect her heart, she may have been the moon
To you, but to me, she's a star

chorus

(add lib)
Oh why why why why why
(Kelly, take this phone
She was my best friend
You were my husband
But, I don't wanna see you anymore
