Love sign  
Love sign (Get up)  
Love sign (Get up)  
Pop, pop, pop go the pistol  
Bang, bang, bang go the gun (Get up)  
CHORUS:  
If U're sick of evil knocking on your door  
Throw up the love sign once and 4 ever more  
(2 signs of the times)  
If U'd rather make love and have a little fun  
Throw up the love sign everybody and not the gun  
(Time is passing, passing is time)  
In a chariot of red and gold  
The cool, fuzzy voice said "Come save your soul"  
Before the fear of rejection reared its head  
He stood before the masses and calmly said  
CHORUS  
In the day of where and why we all belong  
Don't nobody wanna hear a silly love song  
And if they did then we would sing it on the news  
While U're aiming your gun at me and I'm aiming back  
at U  
CHORUS  
Pop, pop, pop go the pistol  
Bang, bang, bang go the gun (Get up)  
Pop, pop, pop go the pistol  
Bang, bang, bang go the gun (Get up)  
If U only had one year left 2 live (Get up)  
What good is the time U spend if U got no love 2 give?  
(Get up)  
Let's all get up off the front and find a cause 2 back  
Then we could teach the babies replications of the act,  
of the act  
CHORUS  
(Sick of evil knockin', yeah)  
(Then ev..everybody love)  
(We can have a little fun)  
(Everybody, oh yeah)  
CHORUS  
(Oh yeah)  
(Make a little love now)

(We can make love instead of guns, oh)  
Pop, pop, pop go the pistol {x4}  
Bang, bang, bang go the gun  
Show us the love sign, we want the love sign (Get up)  
Show us the love sign (Get up)  
(2 signs of the times)  
Show us the love sign, we want the love sign (Get up)  
(2 signs of the times)  
Show us the love sign (Get up)  
(Pop, pop, pop go the pistol) {repeat 2 fade}  
(Bang, bang, bang go the gun)  
Love sign, we want the love sign  
Love sign  
Love sign, we want the love sign  
Love sign
