Puff:

All I want is somebody who's gonna love me for me
Somebody I can love for them
All this money dont mean shit if you ain't got nobody to
share it with
I love you as the world you feel me

(Chorus)

R. Kelly:

He don't understand you like I do
No he'll never make love to you like I do
So give it to me
Cause I can show you 'bout a real love
And I can promise anything that I do
Is just to satisfy you

Verse 1 (Puff)

When it hurt I ease the pain girl, corress your frame
Get them worries off your brain girl, I'm in your corner
Do what you want its your thang girl, I persist and travel
We one in the same girl, it aint a game
So I can't play with you, I wanna lay with you
Stay with you, play with you, grow old and gray with you
In good and bad times, we'll always make it through
Cause what we got is true, no matter what they say to
you
I could straight lace you, not just appearance
Stimulate your mind, strength and your spirits
Be your voice of reason when you ain't tryna hear it
You want it but you fear it but you love it when u near it
Set her on the sofa get a little closer
Touch you right, do it like a man's suppose ta (to)
Knew you was the one, thats why I chose ya
Cause you get down for yours and ride like a soldier

(Chorus)

R. Kelly:

He don't understand you like I do
No he'll never make love to you like I do
So give it to me
Cause I can show you 'bout a real love

And I can promise anything that I do
Is just to satisfy you

Verse 2 (Puff)

Your soul ain't a toy, you ain't dealin with a boy
Feel emptiness inside? I can fill that void
When you spend time with your women and listen
It shines more than any baguette diamond can glisten
I can't impress you with the cars and the wealth
Cause any woman will will and drive and get it herself
I'd rather show you it's heartfelt, make your heart melt
And prove to you you're more important than anything
else
Worthwhile special like my first child
When I see your face it's always like the first time
Our eyes met, I knew we'd be together in a tri-jet
I wanna give you things that I didn't buy yet
Hold you, mold you, don't know, let me show you
Ain't no tellin what we could grow to
Let it be known, I told you
And I'ma be there for whatever you go through, my
love's true

(Chorus)

R. Kelly:

He don't understand you like I do
No he'll never make love to you like I do
So give it to me
Cause I can show you 'bout a real love
And I can promise anything that I do
Is just to satisfy you

(Bridge)

R. Kelly:

Don't let him sing you a sad song (No baby)
Waiting for love like this too long (You don't have to
wait, you don't have
to wait on him, baby)
All that you need I can give you (You don't have to wait,
you don't have to
wait on,)
I do, satisfy you (You don't have to wait on him)

Verse 3 (Puff):

I'm the light when you can't see, I'm that air when you
can't breathe
I'm that feeling when you can't leave
Some doubt, some believe, some lie, cheat, and
deceive
So It's only you and me
When you're weak, I'll make you strong, here's where

you belong
I ain't perfect, but I promise I won't do you wrong
Keep you (a)way from harm, my love is protected
I'll wrap you in my arms so you'll never feel neglected
I'll just make you aware of what we have is rare
In the moment of despair, I'm the courage when you're
scared
Loyal, down for you, soon as I saw you
Wanted to be there cause I could hold it down for you
Be around for you, plant seeds in the soil
Make love all night, bending bed coils
You're a queen, therefore I treat you royal
This is all for you, cause I simply adore you

(Chorus)

R. Kelly:

(Baby he) He don't understand you like I do
No he'll never make love to you like I do
So give it to me
Cause I can show you 'bout a real love
And I can promise anything that I do
Is just to satisfy you

Chorus to fade

Puff:

This one right here goes out to all my sisters
