Lie about the truth  
It's a nightly story  
On the TV screen  
Your life's too boring

Trying to evade  
But diversion's absent  
I will not have been so retroactive

Lie about the truth  
It's a nightly story  
On the TV screen  
Your life's too boring

Trying to evade  
But diversion's absent  
I will not have been so retroactive

Such a hypocrite you're transparent  
I don't want to waste my time  
I don't really care I 'm not in it for the fashion  
Go back home rehearse your lines

Ask to hear the truth but it means nothing to you

Don't get caught up in the lies of a mindless few  
All the seasons change just as your stories do  
You're A Liar

Lie about the truth  
It's a nightly story  
On the TV screen  
Your life's too boring

Trying to evade  
But diversion's absent  
I will not have been so retroactive

Go back home rehearse your lines

Ask to hear the truth but it means nothing to you  
Don't get caught up in the lies of a mindless few  
All the seasons change just as your stories do  
You're A Liar

You're A Liar
