Well I've got a secret I can not say
They might've moved me to give it away
You've got something that I understand
Hold it in tightly come on command
Leap of faith do you doubt
Cut you in I'll just cut you out
Whatever you do don't tell anyone
Whatever you do don't tell anyone
Look for reflections in your face
K 9 devotion time can't erase
Out on the corner, locked in your room
I never believe them, and I never assume
Stuck in beneath, there is a lie
Promises promise, and eye for an eye
We've got something, to reveal
No one can know, How we feel
Whatever you do, don't tell anyone
Whatever you do, don't tell anyone
Whatever you do, don't tell anyone
Whatever you do, don't tell anyone
I think you Allready know, how far I've gone, not to say

You know the art is'nt gone , and we're taking this onto
the graveâ€¦!

Whatever you do, don't tell anyone

Whatever you do, don't tell anyone

Whatever you do, don't tell anyone

Whatever you do, don't tell anyone
