(bitches talkin)

Wassup Jo-Jo

-wassup [name]

Girl you know the nigga 007 down with the 5th Ward
Boyz

-yeah I used to fuck that nigga

I've seen the bitch in the mall today

Lookin tight than a muthafucka.

Yeah I got his number. Conversation was weak. I know
the horny wanna lay me but the bitch got the 'pay-me'
cause pussy ain't free.

-yeah. Takin your business cause it's spinnin like a slot
machine

Girl I am!

Bitch please

I got a funky cock-hoe try to run my fuckin business

I'm bustin that ass because a nigga's got to win this

The ho's are steadily jackin a nigga just to get paid

I'm in the Range with these bitches gettin paid

Offerin bitches like a pimp a mack

A muthafuckin nigga with a slap a lack

I'm breakin a bitches back come in this only to break a
hoe

Show her I'm the 00 cuttin mo' game than a
muthafuckin lawn-mo'

But yo I give a hoe this dick and tell her she ain't shit

And treat her like a bitch cause that's just what she is

And always gonna be you thought you had me played

Hahaha...

Bitch please

You thought you had me played

You funky cock-hoe

You thought you had me played

You funky cock-hoe

You thought you had me played

You funky cock-hoe

You thought you had me played

But bitch please

Now picture me givin up my money to a bitch

Cause all a bitch is good for is suckin a nigga's dick

They try to play me
Them ho's really think they got me goin
But when I fuck 'em the next day I'm goin out hoin'
And showin them ho's that I'm not weak up in the
mornin
It's kinda funny but yo I give 'em credit just for tryin
The 0 is not a [??] that's the reason why I screw her
I rule her I jump up in the pussy than I screw 'em
And goin out the door just like a true mack
Leavin them ho's yellin and cryin and beggin me to
come back
But I don't really give a fuck because I'm N 2 Deep
Bitch I'm only faithful to them streets
Cause I don't need no bitch up-throwin back beggin me
and handle me
Trappin me by havin a little baby
And if she have a baby then she's stuck
Better yet she fuck her ass is just shit out on lock
See a bitch is only out to try to break a nigga
Only out to play a nigga G them ho's ain't breakin me
And if them ho's really think they got me goin
Shit...Hahaha
Bitch please

You thought you had me played
You funky cock-hoe
You thought you had me played
You funky cock-hoe
You thought you had me played
You funky cock-hoe
You thought you had me played
Bitch please

A lotta ho's like to jock a nigga's dick to get paid
Knowin 00 was only out to get laid
Speakin on my money your ass gets nathin
Butt-and-ass kickin in a damn-good rapin
Slap you on your ass and make you holler like a dog
Fuck you from the back and make you lick like a frog
Doin what I gotta do to make me happy baby
Blame it on my daddy cause that's just what he made
me
A natural born mack a pimp and a player
A cool-ass nigga and a dope rhyme sayer
Playin them ho's every chance that I get
I better leave 'em somethin that I know they won't
forget
A good pussy whoopin and a mouth full of nuts
Some fucked up sheets and some swoll-ass guts
I do all this to you trifle and squeeze
You thought you had me played

Ha...
But bitch please

You thought you had me played
You funky cock-hoe
You thought you had me played
You funky cock-hoe
You thought you had me played
You funky cock-hoe
You thought you had me played
Ha...
But bitch please

BIAATCH!!
Quit talkin that shit
And suck a nigga's dick for a sandwich
BIAATCH!!
Quit talkin that shit
And suck a nigga's dick for a sandwich

And if I bust for nuts
Sometimes quit I might buy you a pair of [??]
..hahahaha...
