I've known you for so long you are a friend of mine

But is this all we ever be

I've loved you eversince your are a friend of mine

And babe is this all will ever could be

Refrain:

You tell me things I never know

I showed you love you'd never show

But then again when you cry

I'm always at your side.

And tell me about the love you had

I listen very eagerly

But deep inside you never see

This feeling of emptiness

It makes me feel sad.

But then again, I'm glad...

I've known you all my life you are a friend of mine

I know this is how it's gonna be

I've love you then and I love you still,

your friend of mine

Now I know friends are all we ever could be.

(Refrain)

Then again, Then again

I'm glad
