Ladies and gentlemen!

The champ is here! (3x)

Get your motherfuckin hands in the air!

The champ is here! (3x)

You can hate me, I don't care!

[R. Kelly]

All yall wanna powl on me, make it hard for me to breathe

Throw sand in my eyes, make it hard for me to see

Out of breath, can't see, still hard to defeat

The history that I made, impossible to impeach

First round, spread rumors, point fingers, throw stones, judge me

Hate me, love me, hug me, curse me

Whatever, cause yall fuckin opinions don't feed me

I'm clever, enough to know that the industry needs me

Second round, I'm opposite of the demon that faces me

I've been through hell lived in the belly of the beast

I've confessed my sins but still didn't find peace, but

Like MJ in five I will succeed

Third round, I make music from the hood cause that's where I'm from

That's why the hood is always first to help me overcome

Fifth round, when I'm down, some of yall cats act so strange

When I'm up, same cats wonder why I act so strange

Sixth round, Kells done changed, please you bitches is so lame

Something ain't your fault and yall so quick to blame

That's why I got number 1 in the back of my Range

Yall cats is forplayin, I'm pregnant by the game

Seventh round, some would like to see balled and chained

But I'm a child of God so my destiny is all day

Eighth round, undisputed is the title I claim

Bout to shoot the world up with this lyrical cocaine

Ninth round, the place is packed, the bell rings I'm
about to bring the pain
Left jab, right hook, shuttin down your brain
Tenth round, I could be surrounded by lions in the mist
of the jungle
And still I'ma rumble your many rumble, eleventh
round
