You know I need your love, You got that hold over me

Long as I got your love, You know that I'll never leave

When I wanted you to share my life, I had no doubt in my mind

And it's been you, woman, right down the line

I know how much I lean on you, Only you can see

Changes that I've been true, Have left there mark on me

You've been as constant as the northern star, The brightest light that shines

It's been you, woman, right down the line

I just wanna say this is my way

Of telling you everything, I could never say before

Yeah this is my way of telling you that everyday, I'm loving you so much more

Cause you believed in me through my darkest night

Put something better inside of me, You brought me into the light

Threw away all those crazy dreams, I put them all behind

And it was you, woman, right down the line

I just wanna say this is my way

Of telling you everything, I could never say before

Yeah this is my way of telling you that everyday, I'm

loving you so much more

If I should doubt myself, If I'm losing ground

I won't turn to someone else, They'd only let me down

When I wanted you to share my life, I had no doubt in
my mind

And it's been you, woman, right down the line
