Big money man says

"Won't you join my rock 'n' roll band?"

"But if I'm going to make you a star, boy

Get yourself a chauffer-driven car, yeah

Sign on the dotted line

It's going to work out fine"

Get on the phone Played in Hamburg just to make me

She says "I need some money back home" Played the

Big money man says Big fat money man, he wrote me

"Don't you worry boy, you're not on your own"

Back playing guitar
